

Figure 1: A beautiful figure that explain everything (from : <http://phdcomics.com/comics/archive.php?comid=1431>)

We will analyze the result using the carpentry method in Section 1, then will present the results in the Section 2.

## 1 Analysis

All the analysis has been done using Python and Latex and are resume in the Figure 1

## 2 Results

Bla bla bla

## 3 Conclusion

As described in the Section 1 and 2 respectively on page 1 and 1 we can conclude that references are a great tool.
